

AMAL BASNAYAKE

PROFILE

Dynamic and results-driven IT Officer with over 4.8 years of comprehensive experience in managing and supporting IT infrastructure, systems administration, and cybersecurity measures. Currently serving at Arpico Insurance PLC, demonstrating proven expertise in maintaining server and network performance, providing end-user support, implementing data protection strategies, and managing vendor relationships. Hands-on experience as a System Development Engineer and Computer Hardware Technician has reinforced a solid foundation in both hardware and software environments. Currently pursuing a Pearson Higher National Diploma in Cyber Security along with certifications in CISSP and Ethical Hacking, showcasing a strong commitment to continuous learning and professional development. Adept at resolving technical issues swiftly, ensuring optimal system uptime, and contributing to secure, efficient, and scalable IT operations.
